Contract, Waiver, and Release Form

This contract is made between Billy Corbett, fitness trainer or _____ and _____ client/patient for fitness training, patient care and/or consultation. This is a confidential relationship, each party agreeing not to divulge personal or business information acquired through the relationship. _____

Cancellations must be made 24 hours in advance (emergencies excluded). No shows will result in forfeiture of money paid. If the session has not been yet been paid the trainee will be billed for the session. You do have the opportunity to make up that training session without being charged providing our schedules match up. _____

Because physical exercise can be strenuous and subject to risk of serious injury, RetroFit PT and your personal trainer urges you to obtain a physical examination from a doctor before beginning any exercise or training program. You agree that by participating in these physical exercise sessions or personal training activities, you do so entirely at your own risk. This includes, without limitation, (a) your use of all amenities and equipment in the Retro Fit Training facility and any off site location and your participation in any activity, class, program, personal training or instruction, (b) the sudden and unforeseen malfunctioning of any equipment (c) our instruction, training, supervision, or dietary recommendations. You agree that you are voluntarily participating in these activities and use of these facilities and premises and assume all risks of injury. You expressly agree to release and discharge your personal trainer or instructor, and from any and all claims or causes of action. This waiver and release of liability includes, without limitation, all injuries to you which may occur, regardless of negligence. _____

If any portion of this release from liability shall be deemed by a Court of competent jurisdiction to be invalid, then the remainder of this release from liability shall remain in full force and effect and the offending provision or provisions severed here from. You acknowledge that you have carefully read this waiver and release and fully understand that it is a release of liability. You agree to voluntarily give up any right that you may otherwise have to bring a legal action against the personal trainer or instructor for negligence, or any other personal injury or property damage or loss action.
